The Commission has made mistakes in the past and instead of rectifying those so that the matter can be quickly determined, further duplicitous and deceitful actions have emerged into my email box.

 Dear Sir/Madam

I am reassured this morning that at long last all the entry formalities for TCLP-UK in the PEF Online facility have now been correctly and appropriately performed by the Party (see below correspondence), and all that remains is for me to receive the Online Registration Fee payment information to pay the £150 for the application to be approved.

Should the Electoral Commission have any outstanding queries relating to this matter, please do not hesitate to contact me again.

Dear Shantanu,

Before you can submit there are the following outstanding matters:

You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

Dear Josh Dunne

Thank you for this instruction which I assume does not apply to the players within the Application to register a Political Party, concerning the registration of TCLP-UK, and I confirm that I have received as attached correspondence, although I am once again searching for the names of Officials to incorporate into the Form FrElectoralCommissionCampaigns Official.docx; FrPartyRegElectoralCommissioner)18Jun2025. on account of the fact that monika.uzkalnyte@spuc.oorg.uk has it would appear given me in incorrect email address of hers or has pulled out of officiating for the Party (?). I think it is bad if this has occurred, and I would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

**PRESS RELEASE: NEW INTRODUCTIONS:
13 May 2025, 20.42 pm (UK-Time)**

Following the closure of civil and criminal proceedings as summarised here https://archive.org/details/trapped-in-their-lies-digital_20250515 the Conservative Libertarian Publications Limited can now proceed forwards towards recruitment of Members within the United Kingdom and globally and take part in the democratic process within the United Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

<https://app.joinit.com/o/conservative-libertarians/>
<https://knowledgefoundersunited.com/>

whereas our Structure and Issues encountered are at
<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented (About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

There is no guarantee that your application will be successful where we are required to ensure it complies with all of the statutory requirements.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE. Docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

Dear Shantanu Panigrahi,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

If you require further advice about finalising and submitting this application please contact me.

Complainant privacy notice

This privacy notice summarises what to expect us to do with your personal information when you contact us or bring a complaint to our service. A more detailed version of this privacy notice is available on our website.

About us

The Financial Ombudsman Service is a free and easy-to-use service that settles complaints between complainants and businesses that provide financial services. You can contact us here.

We use your personal information to investigate and resolve individual complaints and prevent unfairness. We also analyse complaints data to make our services and processes more effective for you and others. More detail is set out in the 'Why we process your

personal information' section.

The personal information we use

Personal information means information that is about an individual or can identify them in some way. The amount and type of personal information we process varies depending on the individual circumstances of the complaint and why we are processing personal information.

Examples of the type of information we process are your name, date of birth, financial details, phone recordings and special category data, such as health information.

How we collect personal data

We have a range of channels that individuals can use to get in contact with us. Generally, we receive personal information from the individual directly, their representative or from the financial business the complaint is against. But sometimes, where it is necessary for resolving a complaint or fulfilling our legal functions, we may also gather information from other individuals or organisations, such as a loss adjuster hired by an insurance company, a medical expert or a credit reference agency.

Why we process personal information

We primarily collect and process personal information to investigate and resolve individual complaints brought to our service and respond to enquiries and redirect individuals to the correct organisation if necessary. In addition to this we also process personal data in the following way:

- Prevent complaints and unfairness
- Improve the effectiveness of our service and processes
- Meeting your needs and making adjustments
- Work with the regulator and other bodies
- Dealing with contact you may make with us through social media
- Complying with a legal duty.

We have a legal obligation to publish final decisions made by our ombudsmen. These are published on our website. We remove the name of the person making the complaint as well as any other personal information that would be likely to identify them.

We conduct regular surveys to understand your views on the service we have provided to you. You can let your Investigator know at any time if you do not want us to contact you for our surveys.

Who we share personal information with?

We will not share your information with anyone for the purpose of direct marketing. We will not sell your data.

When an enquiry is brought to us, we need to contact the financial business and make them aware

that an enquiry has been received and ask them what has happened so far. The personal details of Financial Ombudsman Service – Complaint form 8

the complainant, any representative and details of the complaint are shared during this initial process.

In order to investigate a complaint, we need to share information with both parties of the complaint to get both sides of the story. Sometimes, depending on the nature of the complaint, we may also need to share relevant information with other individuals or organisations, for example: another

financial business, medical experts or credit reference agencies.

If you have a complaint about the standard of service we've provided to you, and we've not been able to resolve this, you can ask the Independent Assessor to investigate this complaint. We will pass on relevant details to the Independent Assessor so that they can investigate and respond to your service complaint.

Lawful bases for processing personal information

The law on data protection sets out a number of different reasons for which an organisation may

collect and process your personal information.

Our lawful basis for processing personal information will usually be because it's necessary for our

statutory function, a reason of substantial public interest or compliance with our legal obligations.

On those occasions where we are not relying on any of the above, we will ensure that a suitable alternative lawful basis is used, which is likely to be where the processing is in our legitimate interests.

Where your data is processed and stored

We store your personal information in the UK or the European Union (EU). Our technical support teams in India may process your information to provide technical advice and assistance.

Where we allow access to your information from countries outside the UK, we ensure that we comply with all our data protection obligations.

How we store personal information and for how long

We know that data security is important to us all. When we receive personal information, we take

steps to ensure that it is stored securely, both physically and electronically, in accordance with the

internal policies that we have in place for the effective and secure processing of your personal information. We will keep your case file for 6 years after your case closes (or 3 years if we did not go on to fully investigate your case or if we transferred your case to another organisation). Paper documents sent by post are destroyed 6 months after the date they are scanned into our system.

More information is in Annex A here.

What are your rights over your personal information?

Under data protection law, you have rights we need to make you aware of. The rights available to you depend on our reason for processing your information. Details of each of these rights are set

out in Annex B here.

What to do if you're unhappy with how we've handled your personal information

If you have any questions about this notice or are concerned about how we are processing your personal data, you can contact our Data Protection Officer at: data.protection@financial-ombudsman.org.uk. Details of how to raise a complaint are available here.

We hope we'll be able to resolve your concerns, but if you still remain unhappy with our response,

you can contact the Information Commissioner's Office at casework@ico.org.uk or 01625 545 745.

Changes to this privacy notice

We may change this privacy policy. In that case, the 'last updated' date at the bottom of this page

will also change. Any changes to this privacy policy will apply to you and your data immediately.

Dear Shantanu and Rupa,

Rupa, you will need to follow the below steps to authorise the application:

An email has been sent to you to create login details. This may appear in your junk mail.

Please follow the link in the email. You will be asked to create login details and confirm your details and association with the party.

You will then be able to navigate to the 'Declarations' page. At the bottom of this page, please select the option 'Authorise online'.

If you have any questions about this, please contact us directly.

Shantanu, once Rupa has completed this, you will be able to make payment and submission:

Navigate to the 'submit page'. Select options to pay by card.

Select 'Submit application' at the bottom of the page.

You will be redirected to a WorldPay transaction page where you will be able to make the payment.

Before you finalise your application, I would strongly advise you review our guidance on:

Requirements for party names

What a constitution must include

What a financial scheme must include

If you want to make further amendments, you will need to 'reset authorisations' under the 'Declarations' page.

Once your application is finalised and submitted, we will assess your application. We aim to provide a decision to approve or reject within seven weeks from the application being complete.

I am reassured this morning that at long last all the entry formalities for TCLP-UK in the PEF Online facility have now been correctly and appropriately performed by the Party (see below correspondence), and all that remains is for me to receive the Online Registration Fee payment information to pay the £150 for the application to be approved.

Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

Dear Josh Dunne

Thank you for this instruction which I assume does not apply to the players within the Application to register a Political Party, concerning the registration of TCLP-UK, and I confirm that I have received as attached correspondence, although I am once again searching for the names of Officials to incorporate into the Form FrElectoralCommissionCampaigns Official.docx; FrPartyRegElectoralCommissioner)18Jun2025. on account of the fact that monika.uzkalnyte@spuc.oorg.uk has it would appear given me in incorrect email address of hers or has pulled out of officiating for the Party (?). I think it is bad if this has occurred, and I

would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

**PRESS RELEASE: NEW INTRODUCTIONS:
 13 May 2025, 20.42 pm (UK-Time)**

Following the closure of civil and criminal proceedings as summarised here https://archive.org/details/trapped-in-their-lies-digital_20250515 the Conservative Libertarian Publications Limited can now proceed forwards towards recruitment of Members within the United Kingdom and globally and take part in the democratic process within the United Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

<https://app.joinit.com/o/conservative-libertarians/>

whereas our Structure and Issues encountered are at

<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society. If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented (About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

An email has been sent to you to create login details. This may appear in your junk mail.

Please follow the link in the email. You will be asked to create login details and confirm your details and association with the party.

You will then be able to navigate to the 'Declarations' page. At the bottom of this page, please select the option 'Authorise online'.

If you have any questions about this, please contact us directly.

Shantanu, once Rupa has completed this, you will be able to make payment and submission:

Navigate to the 'submit page'. Select options to pay by card.

Select 'Submit application' at the bottom of the page.

You will be redirected to a WorldPay transaction page where you will be able to make the payment.

Before you finalise your application, I would strongly advise you review our guidance on:

What a constitution must include

What a financial scheme must include

If you want to make further amendments, you will need to 'reset authorisations' under the 'Declarations' page.

Dear Sir/Madam

I am reassured this morning that at long last all the entry formalities for TCLP-UK in the PEF Online facility have now been correctly and appropriately performed by the Party (see below correspondence), and all that remains is for me to receive the Online Registration Fee payment information to pay the £150 for the application to be approved.

Should the Electoral Commission have any outstanding queries relating to this matter, please do not hesitate to contact me again.

Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

Dear Josh Dunne

Thank you for this instruction which I assume does not apply to the players within the Application to register a Political Party, concerning the registration of TCLP-UK, and I confirm that I have received as attached correspondence, although I am once again searching for the names of Officials to incorporate into the Form FrElectoralCommissionCampaigns Official.docx; FrPartyRegElectoralCommissioner)18Jun2025. on account of the fact that monika.uzkalnyte@spuc.oorg.uk has it would appear given me in incorrect email address of hers or has pulled out of officiating for the Party (?). I think it is bad if this has occurred, and I would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

PRESS RELEASE: NEW INTRODUCTIONS:

13 May 2025, 20.42 pm (UK-Time)

Following the closure of civil and criminal proceedings as summarised here

https://archive.org/details/trapped-in-their-lies-digital_20250515 the Conservative Libertarian Publications Limited can now proceed forwards towards recruitment of Members within the United Kingdom and globally and take part in the democratic process within the United Kingdom.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

<https://app.joinit.com/o/conservative-libertarians/>

<https://knowledgefoundersunited.com/>

whereas our Structure and Issues encountered are at

<https://theconservativelibertariansociety.com>

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented (About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

Dear Josh Dunne

Thank you for this instruction which I assume does not apply to the players within the Application to register a Political Party, concerning the registration of TCLP-UK, and I confirm that I have received as attached correspondence, although I am once again searching for the names of Officials to incorporate into the Form FrElectoralCommissionCampaigns Official.docx; FrPartyRegElectoralCommissioner)18Jun2025. on account of the fact that monika.uzkalnyte@spuc.oorg.uk has it would appear given me in incorrect email address of hers or has pulled out of officiating for the Party (?). I think it is bad if this has occurred, and I would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

So let us look forward to a good future through a new radical approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

whereas our Structure and Issues encountered are at

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented

<https://www.theconservativelibertariansociety.com/about-1> (About | The Conservative Libertarian Society) and/or I may be asked to reformulate it. Either way it would be a revelation to see what happens for we need to see our Constitution functional in an open manner.

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

 Subject: RE: Shantanu Panigrahi - registering a party

Dear Shantanu,

Before you can submit there are the following outstanding matters:

1. You are the only individual listed as an officer. You must name one other individual as an officer of the party. If you are to be registered as leader, nominating officer and treasurer, then this individual can be simply an 'additional officer'.

Under the manage users page, you must either select 'Is Officer' for one of the existing user accounts for Shantirupa or Monika, or create another user account for another individual and select 'Is Officer'. Once this is done, you will be able to update the 'Officer roles' page.

2. All of your officers listed under 'Officer roles' must authorise the application. Each officer must login to the system, navigate to the 'Declarations' page, and select 'Authorise online' at the bottom of the page.

3. When the application has been authorised, you will be able to submit and make an online card payment via the 'Submit' page.

Any individuals registered as officers of the party will be legally responsible for the party and will have obligations under the legislation. Your application will be rejected if it does not provide two individuals as officers and if those officers do not authorise the application.

Kind regards,

Dear Josh Dunne

Thank you for this instruction which I assume does not apply to the players within the Application to register a Political Party, concerning the registration of TCLP-UK, and I confirm that I have received as attached correspondence, although I am once again searching for the names of Officials to incorporate into the Form FrElectoralCommissionCampaigns Official.docx; FrPartyRegElectoralCommissioner)18Jun2025. on account of the fact that monika.uzkalnyte@spuc.oorg.uk has it would appear given me in incorrect email address of hers or has pulled out of officiating for the Party (?). I think it is bad if this has occurred, and I would request you to waive the requirement for Campaigns Officer, with Rupa Panigrahi who you have already written to as attached FrPartyRegElectoralCommissioner)18Jun2025.docx being acceptable as the Additional Officer.

That being so; all I now need to do is to send you the £150 Registration Fee for which kindly let me have your Bank Details so that I can transfer the money now.

I trust you will find this next course of action agreeable to the processes of the Electoral Commission.

Yours sincerely

whereas our Structure and Issues encountered are at

Our Mission Statement:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. Acceptance is not a foregone conclusion for the Constitution of TCLP-UK may be rejected as presented

<https://www.theconservativelibertariansociety.com/about-1> (About | The Conservative

Dear Sirs

Thank you for advising me that we are on course to get TCLP-UK registered with the Electoral Commission such as to enable us to contest the next by-election in the Gillingham and Rainham Constituency of Kent.

I am determined to go down this route for it offends my self-respect to see a whole population of 70 million in the United Kingdom subscribe to the notion attached: NO SHAME IN COWARDICE.docs and the message received yesterday that the system is so completely closed to an ornamental Monarchy as a matter of conscience for those who subscribe to truth, justice and democracy, that has prevented me from recruiting a couple of additional members to my squadron of activism thus far.

I will of course keep you informed of my progress in due course,

Dear Shantanu Panigrahi,

You have enquired about registering a political party with us.

For clarity, an application has been started in our system to register 'The Conservative Libertarian Party of the United Kingdom'. However, this application is incomplete – it has not been paid for, authorised by officers, or submitted. Where that is the case, the application remains with you to finalise. We cannot take any actions to progress an application where it is not submitted to us.

You will not currently be able to authorise the application online as you have only one officer, rather than the required two officers.

If you require further advice about finalising and submitting this application please contact me.

The matter is awaiting adjudication by the Circuit Judge at the Central London County Court under Claim Number E35YM660, on a Hearing that has been adjourned by the Court since 20 January 2023.

Nobody is telling me anything as to why my proposed political party cannot be approved for me to contest the next byelection in my local Constituency of Gillingham and Rainham.

Dear Sirs, I am an alumni of Kings College and my reputation of clean conscience is at stake that I have done everything possible to consult widely on this matter, as linked here: <https://www.theconservativelibertariansociety.com/post/kings-connect-communication> Therefore your immediate attention will be greatly appreciated on who is actually blocking the political registration of TCLP-UK at the Electoral Commission.

MAKING IT UP AS ONE GOES ALONG

[Edited: 15.31 pm (UK-Time), 14 June 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years in particular but which derives from my Hindu upbringing in India. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 430 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality' available here (<https://www.theallurementofrealityinreview.com/shop>). But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Maha-Samadhi. I wish to make it clear at this point in time. For me Samadhi seemingly started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of Self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.

Maha Samadhi is total Realisation when one does stop one's karma in sanatan dharma and lives in Yoga-ananda, the yogadaan emanating from one's dedication to the comprehensive approach to yoga. It is the state of Living freely in total Realisation and Control so that one is making decisive acts instantly with spontaneity, nonchalance and unpremeditation without any thought of moving along a certain truth path. So there are no tactics, such is the state of Realisation as automaticity existence.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

I am in Maha-Samadhi now.

MAKING IT UP AS ONE GOES ALONG

[Edited: 15.31 pm (UK-Time), 14 June 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years in particular but which derives from my Hindu upbringing in India. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 430 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality' available here (<https://www.theallurementofrealityinreview.com/shop>). But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Maha-Samadhi. I wish to make it clear at this point in time. For me Samadhi seemingly started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of Self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatan dharma, that is to say karma in sanatan dharma.
